The Otsego County Commission on Aging (OCCOA) website, [https://Otsego CountyCOA.org](https://OtsegoCountyCOA.org) provides the latest information on OCCOA programs, activities, services, and community resources. It also includes a “Coronavirus (COVID-19) Updates” page, which notes impacts by COVID-19 on various commission program, activities, and services.

Website visitors will also notice a “Talk to Us” video chat button on every page.

The button is powered by CommunO<sub>2</sub> and made possible through a grant from the Michigan Health Endowment Fund (HF). Clicking on it will connect visitors to agency staff for information, resources, and assistance.

The CommunO<sub>2</sub> video chat feature makes it possible for older adults (age 55 and older) to attend its Exploring Technology and Chair Yoga classes, virtually. Family members can also enjoy safe and secure live video calls with each other. To learn more, website visitors can visit <https://www.OtsegoCountyCOA.org> and click on

the “Talk to Us” video chat button between 8 a.m. and Noon, or from 1 to 2 p.m.,  
Monday through Friday.
